Household Waste Recycling Centres

We have two recycling centres in Rushmoor - at Eelmoor Rd, Farnborough and Ivy Rd, Aldershot. Hampshire County Council runs both facilities and these are available for residents to dispose of their household waste and recycling material free-of-charge. The centres can accept:

- ✓ cardboard
- ✓ green waste
- ✓ oil
- ✓ furniture
- ✓ metal
- ✓ cans and tins
- ✓ textiles
- ✓ car batteries
- ✓ glass
- ✓ newspapers and magazines
- ✓ electrical equipment including fridges

recycle for Hampshire

The Farnborough centre also accepts hazardous household waste.

Recycling in Flats

RUSHMOOR BOROUGH COUNCIL

Recycling in Rushmoor

Recycling is everyone's responsibility and if you have a flat, maisonette or small home, you can still do your bit to boost recycling in Rushmoor.

Since the Council introduced blue recycling bins 2002, recycling has increased from 6% to 22% - but there is still more we can do.

Unfortunately, the recycling we collect from properties with shared recycling bins is often so badly contaminated with rubbish and other items, that none of it can be recycled.

If your home has shared recycling facilities it is even more important that you know which household items you can recycle. This will avoid contamination and make it easier for your neighbours to recycle too!

Read on for more information....

What can I recycle in my blue bin?

Cans & tins

✓ YES Please

✓ All washed drinks cans, food and pet food tins.

✗ NO Thanks

✗ Other types of metal.

- *Don't forget the bathroom! Many bathroom items are recyclable such as toilet rolls, shampoo and bleach bottles.*
- *Reuse plastic takeaway containers for food storage.*
- *Take unwanted clothes, toys or shoes to a charity shop or a car boot sale.*

Don't forget!

- *Carrier bags cannot be recycled in your blue recycling bin.*
- *Take your glass bottles and jars to a recycling bank.*
- *Your recycling bin is emptied once every two weeks.*
- *If your bin store has a lock on it, please keep it locked, except on your collection day.*
- *Break down and flatten large boxes before putting them in your recycling bin.*

- *Take bulky household waste such as DIY materials and old furniture to a household waste recycling centre.*

Useful Information and Tips

All our **blue bin** material is taken to a recycling facility, which uses machinery and conveyor belts to separate the different materials. For this reason, you need to place all materials into your **blue bin** or communal bin, loose and not tied up or in carrier bags.

- *If you have limited space for recycling, try using the area under your kitchen sink.*
- *If you have space, try having two bins in the kitchen, one for recycling and the other for normal household rubbish.*
- *Try storing your recycling in a carrier bag and hanging it on a kitchen cupboard. When it gets full, empty the contents into the recycling bin and reuse the bag.*

Plastic bottles

✓ YES Please

- ✓ All washed plastic bottles *(including bleach, detergent, milk, sauce & shampoo bottles)*

✗ NO Thanks

- ✗ Bottle tops/lids *(these go in the green bin)*
- ✗ Plastic packaging *(food wrapping, cellophane, carrier bags, food pots, such as yoghurt pots and margarine tubs, fruit punnets and polystyrene)*

Paper and card

✓ YES Please

- ✓ Cardboard
- ✓ Newspapers, magazines and Yellow Pages
- ✓ Household paper *(including computer paper, envelopes & greeting cards)*

✗ NO Thanks

- ✗ Shredded paper
- ✗ Wrapping paper
- ✗ Juice cartons
