

RS/SIB/RSB 1312

5th January 1977

Mr. C.J. Andrews
70 Ayling Lane
Aldershot
Hants

Dear Sir,

New Vehicular accesses at 13 Cranmore Lane

Reference is made to the planning application submitted in respect of the formation of two vehicular accesses onto Cranmore Lane. For your information, planning permission is not required in this instance as the vehicular accesses are already in existence and have been so for a considerable length of time.

The only permission required from the Council is for the lowering of the kerbs and I understand that you are already in consultation with the Borough Engineer regarding this point.

Yours faithfully

Borough Planning Officer

Mr. Sheppard
