

# Memorial vase application

Each block vase is made from natural stone, quarried and worked to give a lasting base for your memorial tablet.

The tablet measures 7.5 x 5 inches and is made out of polished black granite.

Space for approximately 70 gold coloured letters will give you ample room for your inscription. Flowers can be placed in the vase provided.

From time to time, we may take dead flowers out and dispose of them on your behalf so that all the displays remain fresh and beautiful.

By providing this memorial for you, we hope that you will have a personal place where you can visit and place your floral tribute.

## Guidelines to help you with your choice of Inscription:

The name may not exceed more than 15 letters and spaces per line. A maximum of two lines may be used for names - if a third is required, line 6 may not be used. All other lines may have up to 20 letters and spaces per line.

Remember to include spaces - a space counts as a letter or number. We will centre the text on the tablet.

**PHOTOGRAPHS** Would you like to add a photograph at additional cost? **YES / NO**
