Confidential information means information given to the Council by a Government Department on terms that forbid its public disclosure or information which cannot be disclosed publicly by Court Order.

This report must include details of the decision, and the reasons for the opinion that the decision was not a key decision. The power to require a report rests with the Overview and Scrutiny Committee, but is also delegated to the appropriate Lead Officer who shall require such a report on behalf of the Committee when so requested by the Chair or any five Members. PART 5 – GENERAL RIGHTS OF ACCESS TO INFORMATION – THE FREEDOM OF INFORMATION ACT 2000

32. Rushmoor's Publication Scheme

The Freedom of Information Act gives a general right of access to all types of recorded information held by the Council. Any person who makes a request to the Council for information must be informed whether the Council holds that information, and subject to exemptions, must be supplied with that information.

The Council's Publication Scheme details most of the Council's published material and can be accessed on the Council's website at www.rushmoor.gov.uk.

The Scheme is a guide to the information routinely published by the Council. It is not a list of the actual publications, since this will change as new material is published but rather it is a description of the classes or types of information published. It does not include information that the Council holds, but which is produced by third parties.

With a few exceptions, all of the Council's publications can be downloaded from the Rushmoor website. They are also available in hard copy from the Council's offices. The Information Governance Officer may be contacted for further information at:

Rushmoor Borough Council

Tel 01252 398399

33. Requests for Information not Included in the Publication Scheme

Requests for information under the Freedom of Information Act, which have not already been published in the Scheme, must be made in writing (including email) and sent to the Council's Freedom of Information Officer. The Council may charge for providing the information requested.

34. Information not to be published under the Scheme

A great deal of the information that the Council holds is personal and private to individuals (which includes our employees or former employees) and will not be published. The individual concerned, however, may be able to obtain that information from the Council's Data Protection Officer by making a separate application under the Data Protection Act.

Further guidance on information that is exempt from publication is included, by class of information, within the Publication Scheme. Examples include:

- Work in progress (draft reports, for example) need not be disclosed
