

# Memorial vault application

Sanctum 2000 memorial vaults can be leased and offer a dignified resting place for the cremated remains of up to two people.

Each polished granite vault features a black granite tablet, engraved inscription in gold, together with photos or artwork, plus a vase for your floral tributes.

## Examples of additional motifs and photo plaques

In addition to the inscription, you can choose to have the tablet on your memorial vault enhanced with a beautiful hand crafted design of your own choice.

A full range of designs are available. From floral tributes and wildlife through to sports and hobbies, we have everything that helps to recognise the important moments in a persons life.

In addition, we can also provide bespoke designs to your own specification in order to recognise special interests or achievements that the bereaved and their family may wish to celebrate.

In addition, Photo Plaques enable you to create a personal legacy when you add ceramic portraits to your memorial tribute.

A state of the art process ensures that the ceramic cameos retain their beauty indefinitely.

## Your inscription for the Memorial Vault plaque

The name uses a larger typeface so it may not exceed more than 18 letters and spaces per line. Please note that there is only enough height for 3 name lines - if more space is required, fewer lines must be used.

All other lines may have up to 25 letters and spaces per line. Remember to include spaces - a space counts as a letter or number. The blacked out areas indicate where the fixing holes go, so these boxes cannot be used. If a design or photo is to be included, the shaded area (in the first four lines) must be left free.
