EXPLANATORY NOTES

This plan is updated regularly, and each new plan supersedes the previous plan.

What is a Key Decision?

Key decisions are 'executive decisions' (made by the Cabinet, Cabinet Members or officers under delegated authority from the Cabinet), which are likely to:

- (1) result in the Council incurring expenditure or making savings which are significant in as much as they will have a material effect on the level of Council tax or balances or contingencies in relation to the Council's overall budget; or
- (2) be significant in terms of its effects on communities living or working in an area comprising two or more wards within the Borough.

Expenditure or savings of £100,000 is considered to be significant for the purposes of recording key decisions. However, for the acquisition or disposal of property or leases, the threshold for key decisions is £250,000.

All key decisions are subject to the Council's 'call-in' procedure.
