Rushmoor Borough Council, exercise of the powers conferred on them by sections 198, 201^(a) and 203 of the town and Country Planning Act 1990 ^(b) and Regulations 1999, hereby make the following Order –

Citation

1. This Tree Preservation Order shall be cited as TPO 365, Trees in the grounds of properties within Chavasse Way; Guillemont Fields; 68 – 74 Harvey Road; & 9 –10 Pinewood Crescent Farnborough, Hampshire, 2004.

Interpretation

2. In this Order “the authority” means *Rushmoor Borough Council* and unless the context otherwise requires, any reference in this Order to a number section is a reference to the section so numbered in the Town and County Planning Act 1990.

Application of section 201

3. The authority hereby direct that section 201 (provisional tree preservation orders) shall apply to this Order, and accordingly, this Order shall take effect provisionally on 14.09.04

Prohibited acts in relation to trees

4. Without prejudice to subsections (6) and (7) of section 198 (power to make tree preservation order)^(c)(c) or subsection (3) of section 200 (orders affecting land where Forestry Commissioners interested), and subject to article 5, no person shall –

- (a) cut down, top, lop, uproot, wilfully damage or wilfully destroy; or
- (b) cause or permit the cutting down, topping, lopping, uprooting, wilful damage or wilful destruction of,

any tree specified in Schedule 1 to this Order or comprised in a group of trees or in a woodland so specified, except with the consent of the authority and, where such consent is given subject to conditions, in accordance with those conditions.

^(a) Under section 199(1), tree preservation orders generally do not take effect until confirmed, but a direction may be given under section 201 for an order to take provisional effect immediately.

^(b) Where the Order is to be made under the sections cited *and* section 300 of the Town and Country Planning Act 1990, all those provisions should be cited, as should the fact of the consent of the appropriate authority. ^(c) Subsection (6) of section 198 exempts from the application of tree preservation orders the cutting down, uprooting, topping or lopping of trees which are dying, dead or have become dangerous, or the undertaking of those acts in compliance with obligations imposed by or under an Act of Parliament or so far as may be necessary for the prevention or abatement of a nuisance. Subsection (7) of that section makes section 198 subject to section 39(2) of the Housing and Planning Act 1986 (c.63) (saving for effect of section 2(4) of the Opencast Act 1967 1958 on land affected by a tree preservation order despite its repeal) and section 15 of the Forestry Act 1967 (c.10) (licences under that Act to fell trees comprised in a tree preservation order).

5. Exemptions

- (2) The provisions referred to in paragraph (1), as so adapted and modified, are set out in Part II of that Schedule.

Directions as to replanting

8. (1) Where consent is granted under this Order for the felling in the course of forestry operations of any part of a woodland area, the authority may give to the owner of the land on which that part is situated ("the relevant land") a direction in writing specifying the manner in which and the time within which he shall replant the relevant land.

(2) Where a direction is given under paragraph (1) and trees on the relevant land are felled (pursuant to the consent), the owner of that land shall replant it in accordance with the direction.

- (3) A direction under paragraph (1) may include requirements as to –

- (a) species;
- (b) number of trees per hectare;
- (c) the preparation of the relevant land prior to the replanting; and
- (d) the erection of fencing necessary for the protection of the newly planted trees.

Compensation

9. (1) If, on a claim under this article, a person establishes that loss or damage has been caused or incurred in consequence of –

- (a) the refusal of any consent required under this Order; or
- (b) the grant of any such consent subject to conditions,

he shall, subject to paragraphs (3) and (4), be entitled to compensation from the authority.

- (2) No claim, other than a claim made under paragraph (3), may be made under this article –

(4) In any other case, no compensation shall be payable to a person –

- (a) for loss of development value or other diminution in the value of the land;
- (b) for loss or damage which, having regard to the statement of reasons submitted in accordance with article 6(c) and any documents or other evidence submitted in support of any such statement, was not reasonably foreseeable when consent was refused or was granted subject to conditions;
- (c) for loss or damage reasonably foreseeable by that person and attributable to his failure to take reasonable steps to avert the loss or damage or to mitigate its extent; or
- (d) for costs incurred in appealing to the Secretary of State against the refusal of any consent required under this Order or the grant of any such consent subject to conditions.

(5) Subsections (3) to (5) of section 11 (terms of compensation on refusal of licence) of the Forestry Act 1967 shall apply to the assessment of compensation under paragraph (3) as it applies to the assessment of compensation where a felling licence is refused under section 10 (application for felling licence and decision of Commissioners thereon) of that Act as if for any reference to a felling licence there were substituted a reference to a consent required under this Order and for the reference to the Commissioners there were substituted a reference to the authority.

(6) In this article –

“development value” means an increase in value attributable to the prospect of development; and, in relation to any land the development of it shall include the clearing of it; and

“owner” has the meaning given to it by section 34 of the Forestry Act 1967.

Dear Sir/Madam,

IMPORTANT - THIS COMMUNICATION MAY AFFECT YOUR PROPERTY

**TOWN & COUNTRY PLANNING ACT 1990

**Re: TPO 365, TREES WITHIN THE GROUNDS OF PROPERTIES WITHIN CHAVASSE WAY; GUILLEMONT FIELDS; 68 - 74 HARVEY ROAD AND 9 & 10 PINWOOD CRESCENT, FARNBOROUGH, HAMPSHIRE. 2004.
RUSHMOOR BOROUGH COUNCIL**

THIS IS A FORMAL NOTICE to let you know that on 23rd September 2004 the Council made the above tree preservation order.

A copy of the order is enclosed. In simpler terms, it prohibits anyone from cutting down, topping or lopping any trees described in the First Schedule and shown on the map without the Council's consent.

Some explanatory guidance on tree preservation orders is given in the enclosed leaflet, *Protected Trees: A Guide to Tree Preservation Orders*, produced by the Department of Transport, Local Government and the Regions.

The Order was considered necessary to enable the Council the opportunity to give guidance should any work ever be required to these visually prominent trees.

The order took effect, on a provisional basis on 23rd September 2004. It will continue in force on this basis for a further 6 months or until the order is confirmed by the council, whichever first occurs.

The Council will consider whether the order should be confirmed, that is to say, whether it should take effect formally. Before this decision is made, the people affected by the order have the right to make objections or other representations about any of the trees, groups of trees or woodlands covered by the order.

If you would like to make any objections or other comments, please make sure we receive them in writing by 25th October 2004. Your comments must comply with regulation 4 of the Town & Country Planning (Trees) Regulations 1999, a copy of which is provided to the back of this notice. Send your comments to Conservation Section at the Council Offices. All valid objections and representations are carefully considered before a decision on whether to confirm the order is made.

The Council will write to you again when a decision has been made. In the meantime, if you would like any further information or have any questions about this letter, please do not hesitate to contact me on 01252 398 737.

Yours sincerely
