

Victoria Day 2023

Stallholder Information Pack

Aldershot's Victoria Day is the biggest highlight in Aldershot's vibrant events calendar, The event celebrates Aldershot's close ties with Queen Victoria and attracts in excess of 14,000 visitors to the town centre.

This year the event takes place on Saturday 10 June from 10am-4pm, with the grand parade at 11am.

The event sees the town centre transformed, with performances in the bandstand from local musicians and dancers, street theatre, free family activities and much, much more.

The theme for this year's event is 'Circus' – think 'the greatest show'!

The highlight of the day is the grand parade, which in 2022 involved more than 600 people including samba bands, schools, community groups, Normandy veterans, Nepali dancers, classic cars and Queen Victoria - Aldershot's Betty Bryce.

- Payment is strictly by BACs, payable within 14 days.
- If you require an invoice, please contact us.
- Stalls will only be confirmed once payment has cleared.

Risk Assessment

All stalls must provide a copy of their market stall risk assessment with their application.

Electricity & Power

Stallholders must provide their own power. If stallholders are bringing their own generators, these must be suitably located to ensure they do not cause a nuisance to neighbouring premises due to noise or fumes. Diesel generators are recommended over petrol to reduce the risk of fire. All electrical supplies must be fit for purpose and suitably IP (Ingress Protection) rated for this type of event. All cabling and appliances must be PAT tested (Portable Appliance Tested) and display a sticker showing an appliance number, a test date and a retest date along with a signature or initials. Items purchased in the last 12 months will be exempt from this testing only if proof of purchase can be shown.

Insurance

All pitch holders must supply their own Public Liability Insurance and provide a copy of the policy with the pitch holder's application form.

Gazebos

Stallholders must provide their own gazebos. The stallholder's own gazebos must be in sound condition and strongly secured or anchored to ensure they do not move or collapse in windy conditions.

Extra Lighting

We recommend that all stalls provide additional lighting within their gazebos. The Street lighting will be on, but we know from previous events that stalls require extra lights. Bright battery-operated camping lamps are highly effective and reasonably priced. It also helps customers to see what's on your stall amongst the heavy crowds.

- Employ staff over the age of 18.
- Employ at least one Personal Licence holder or hold an individual Temporary Event Notice for their stall.

Stallholders are fully liable for any damage to their pitch space on the day of the event and any additional damage caused by them around the pitch on the day (ie grease marks, generator petrol marks etc). Stallholders will be invoiced by the relevant party for any damage incurred to the public realm / highway during the day of the event.

Extreme Weather

A risk assessment will be carried out on site by Rushmoor Borough Council on the evening before the event. If the weather conditions are deemed a risk to the public's health and safety, the event may be cancelled, but no refunds will be payable.

Pitch holders may only sell the goods originally identified on their application form, unless otherwise agreed with Rushmoor Borough Council.

Waste & Rubbish Disposal

- Pitch holders must carefully dispose of their own rubbish by removing the waste from the site completely. Failure to remove from the site or dispose of the rubbish in the provided bins will result in an additional fee of £100 chargeable to the pitch holder responsible.
