		<b>4</b>	Full grass cover throughout, dense sward, good colour and cleanly cut, few weeds, grass cut frequently to keep length short
		<b>3</b>	Full grass cover throughout main area but some 'thin' patches evident; some bald areas discreet; grass cut frequently but length excessive between cuts, cut quality good (no tearing)
		<b>2</b>	General grass cover average and patchy with some bald patches, cut infrequently or at poor frequency, clippings obvious or cut quality poor
		<b>1</b>	General grass cover poor, wear has led to patchy and poor cover with little or no serious attempts to correct the problem, clippings obvious and cut quality poor
10	Water quality	<b>3</b>	Water appears clear, free of any surface weed, algae or leaf litter/debris. Effective and visually appropriate edging to water feature. Evidence of water aeration/circulation i.e presence of bubblers/pumps (if still water present on site)
		<b>2</b>	Water appears slightly murky with some evidence of surface weed growth or algae or silt build up. Edging to water feature unattractive or showing signs of deterioration. Little evidence of water aeration (if still water present on site.)
		<b>1</b>	Water very cloudy, with significant encroachment by invasive weed growth or algal bloom or depth of water significantly affected by silt build up. No edging to water feature or in very poor condition/ visually unattractive. No evidence of aeration or circulation, water quite stagnant.
13 - 23	Condition of buildings or built structures?	<b>3</b>	Fit for purpose, good condition (brickwork in good condition, roofing in sound condition, gutters clear and intact, painted surfaces clean/intact, windows clean and undamaged, no evidence of vandalism.)
		<b>2</b>	Generally fit for purpose but some evidence of vandalism or deteriorating physical condition (brickwork or roofing showing evidence of damage/deterioration or paintwork/woodwork deteriorating or gutters not operating fully or windows dirty/minor cracks evident).
		<b>1</b>	Obvious damage to buildings/structure through vandalism or lack of maintenance, showing major signs of disrepair (e.g. brickwork or roofing unsound or damaged paintwork, rotting woodwork, gutters blocked, broken glass.)
<b>THEME 5</b>			
12	Rate the overall design of the open space	<b>3</b>	Furniture coordinated, good path layout (no evidence of desire lines), planting areas/tree planting attractive and in scale with the size and layout of the space. Where there are contrasting areas/facilities in one space they merge/adjoin in an attractive way rather than appear as a mismatch of features. Landmark features/buildings are highlighted appropriately. Overall there appears to be adequate provision for the active/passive recreational uses appropriate to the typology.
		<b>2</b>	Furniture generally coordinated, with a few mismatched items. Generally good path layout with some evidence of desire lines. Planting areas/tree planting generally attractive but in some areas are out of scale with the size and layout of the space. Some contrasting areas/features/facilities stand out unattractively in the otherwise coordinated/well-designed space. There is a lack of provision for some of the active/recreational uses appropriate to the typology.

Question No.	Audit question	Score	Quality/Condition Scoring Criteria
		<b>1</b>	Furniture is a mismatched collection of styles. Significant desire lines across the space indicating path layout not matching use. Planting areas/tree planting appear out of scale with the size and layout of the space, not adding to the attractiveness of the site. Individual features/facilities appear unattractive/unsympathetic to the surrounding space - overall unholistic design. There is insufficient provision for the active/recreational uses appropriate to the typology.

Note: 'Boundaries' includes all types of boundary, such as hedges, railings and gates.  
The 'lighting' category may cover only the main part of a park.

*These guidance notes for condition/quality scoring have been developed from the PPG17 scoring system provided as part of the Companion Guide.*

**Page 5, Q12. If you think existing parks and open spaces need improving, what do you think these improvements should be?**

1	There needs to be a focus on each site and where possible, even if only on limited but advertised occasions a park attendant to help people enjoy the environment.	Oct 20, 2013 11:59 PM
2	the skate park in farnborough need to be bigger	Oct 20, 2013 8:41 PM
3	We use parks most often to play tennis. We appreciate that it is great to be able to turn up without booking and that the courts are free to use. However, at busy times it can be hard to get on the available courts in Farnborough and it would be nice to be able to play on a more modern surface.	Oct 20, 2013 4:24 PM
4	Farnborough has no centre or focus point, it is too fragmented. Farnborough needs a central town square with a large grassed area for people to relax from work in the sun at lunchtimes and at other times	Oct 18, 2013 11:34 AM
5	Better and brighter lighting would encourage people to use the park more as it would be a safer place to go. Better maintenance of the parks and open spaces and monitoring of it would attract more people as they would find it safe and a relaxing place to go to.	Oct 17, 2013 12:07 PM
6	Queens Road Rec always looks tired. The grass needs a big overhaul and some more planting	Oct 16, 2013 8:33 AM
7	Some parks, such as the one near Farnborough Football club, are in need of updating and making safer. The park near Farnborough Football club is in poor condition, but is used often by kids so an update which caters for younger children would be very welcomed.	Oct 14, 2013 9:37 AM
8	ponds for wild life, places for bat to roost, nest sites for birds.	Oct 13, 2013 7:24 PM
9	Extra seating in areas away from the main stream, where the elderly can meet like-wise friends. Enforcement of the laws regarding dog fouling. Separate areas specified for dog walkers..	Oct 13, 2013 5:37 PM
10	Beter lighting of footpaths, King George fifth foot path only lit part way and now the new street lights are in place there is not enough over spill light to light rest of path way.	Oct 13, 2013 3:22 PM
11	For a start, the removal of that monstrosity of a 'skate park' in Manor Park. This should have been located on the old school field not plum in the centre of the park where dog walkers etc will be subject to the usual abuse etc from people using the skate park with all the accompanying littering etc. So badly placed but typical of this Council. And I'm sure it won't be policed sufficiently. But then it can't be placed too close to Campbell Fields can it? After all we have a Councillor living there..ahem. Return of Park Wardens to keep the littering minimised and keep the undesirable element from ruining the parks for the majority.	Oct 13, 2013 9:54 AM
12	notices making it clear what activities are not allowed in each area ie small green areas with footpaths on estates should not be used by motorbikes adult or child size or any other motorised vehicle.	Oct 10, 2013 9:17 AM
13	Manor park could do with a bit more play equipment for small children	Oct 10, 2013 6:42 AM
14	Easier access, stop anti social behaviour in the parks that we do have as it stops people visiting, STOP THE STUPID PLANS TO GRANT PERMISSION FOR ANOTHER FAST FOOD OUTLET ON FARNBOROUGH ROAD,	Oct 9, 2013 9:31 PM

**Page 5, Q12. If you think existing parks and open spaces need improving, what do you think these improvements should be?**

	WHAT A STUPID IDEA, THIS COUNCIL DOES NOTHING FOR THE RESIDENTS THAT PAY THERE COUNCIL TAX,	
15	1. The upkeep of Queen Elizabeth Park is deplorable. 2. The elderly Nepalese should be stopped from using our Parks and Cove Brook as toilets 3. Would like to see Cove Brook better maintained and not allowed to overgrow 4. Something should be done about the hedges, bushes and trees that are allowed to grow out over the pavements.	Oct 9, 2013 4:55 PM
16	clean and regularly checked toilet facilities	Oct 9, 2013 1:04 PM
17	Create natural areas on borders and road verges for wild flowers, etc	Oct 8, 2013 4:12 PM
18	More consistency in their upkeep - normally very good but sometimes seem neglected over several weeks.	Oct 8, 2013 3:17 PM
19	The playgrounds at the Municipal Park and Manor Park in Aldershot needs serious updating (something similar to Aldershot Park, which by the way is a complete success and a joy for everybody in the community - we want more parks like this in Aldershot!)	Oct 8, 2013 12:24 PM
20	they are pretty good already.... there isnt much in Farnborough. i wish we could have more playing fields like aldershot	Oct 6, 2013 8:30 AM
21	More litter bins especially at entrances & exits, litter pickers to visit all areas especially 'hang out' areas in natural & semi natural locations	Oct 5, 2013 4:00 PM
22	The park and football pitches in Grasmere Rd need improved car parking; totally insufficient. Roads are badly blocked on Saturdays.	Oct 5, 2013 1:30 PM
23	Central Farnborough is just a concrete jungle, it needs trees and gardens to soften it.	Oct 4, 2013 2:24 PM
24	More open spaces at Queen Elizabeth Park as it can be daunting to enter/cross it alone	Oct 4, 2013 11:32 AM
25	more of them!!!	Oct 4, 2013 9:58 AM
26	MORE TREES AND BETTER LITTER PICKING.	Oct 3, 2013 4:24 PM
27	more cctv in parks with park patrols available to respond quickly to anti social behaviour.	Oct 3, 2013 3:41 PM
28	I think play areas need to be renewed/maintained more regularly.	Oct 3, 2013 11:12 AM
29	Better litter picking and enforcement of littering	Oct 3, 2013 7:54 AM
30	More evening and night time security in open parks.	Oct 3, 2013 12:22 AM
31	basketball, adult gym facility	Oct 2, 2013 7:35 PM
32	Osborne Road Park is in need of new play equipment please.	Oct 2, 2013 4:27 PM
33	Where dogs are exercised there should be Notices as regards collection of faeces and bins for their disposal. Fines for failure to collect should be enforced	Oct 2, 2013 2:56 PM

**Page 5, Q12. If you think existing parks and open spaces need improving, what do you think these improvements should be?**

34	I think existing arks on the whole need to be tidied up and updated- particularly Manor Park in Aldershot. I also believe the council should not be so quick to concrete over green spaces.	Oct 2, 2013 2:36 PM
35	Farnborough Skatepark, requires somewhere people can go to the toilet (is there one designated for this area? where), recycling bins, kept up to date, refreshed/expanded.	Oct 2, 2013 1:24 PM
36	I live adjacent to the MOD Hawley woods area and an access pathway from Sandy Lane to the woods is frequently used by many people living in the surrounding housing estates. Whilst this pathway was very well installed and provided a wildlife haven, trees and general fauna when installed around the now disused Sun Micro Systems it is now over grown, dark the path very narrow due to encroaching growth and not hospitable for leisure walks between Sandy Lane entrance and the Pine wood Park bridge and onward to Hawley Woods. Lack of upkeep is the major issue and I notice this in a number of other green spaces around this edge of the Rushmoor border.	Oct 2, 2013 1:15 PM
37	Improvements to the play equipment available for children. Activities for older children/teenagers to attend.	Oct 2, 2013 12:03 PM
38	More cctv in parks, part of parks where dogs must be on leads or did parks. Poor soft landscaping, need more varied. Plantings. In shrub beds.	Oct 2, 2013 11:32 AM
39	More seating areas in Municipal Gardens - so people can sit and chat.	Oct 2, 2013 11:22 AM
40	Generally less non-residential development in the borough.	Oct 1, 2013 10:36 PM
41	There is so much potential for the existing green spaces to be more natural and wildlife friendly. The grass could be cut less in a large proportion of the spaces. And more trees are needed. We definitely don't need anymore hard surfaced areas. There is too much already. The existing formal gardens are so old fashioned and a waste of time and money. They are managed in a very old fashioned style, wasting time and resources. So many plants are pulled up or chopped back when just in full bloom. Planting hardy perennials and leaving bushes to grow into more natural shapes would save a fortune. What is with the excessive use of big heavy machinery? - 'boys and their toys' I wonder... Men flying about on mowers and using noisy strimmers all the time. It's just not necessary. But someone obviously feels it takes priority over other council responsibilities...Waste of tax payers money in my view, let alone being a noise nuisance, causing pollution and wasting resources...	Oct 1, 2013 9:28 PM
42	litter is sometimes a problem (although that's the fault of users, not of the council!)	Oct 1, 2013 7:48 PM
43	I think the borough is well maintained	Oct 1, 2013 7:25 PM
44	More seating areas and public toilets	Oct 1, 2013 6:19 PM
45	please keep all the green space we have in rushmoor, its one of the main things that makes it a nice place to live. although I live in frimley I travel through rushmoor to get to work and most of my friends live in and around Farnborough. I really appreciate being able to escape the busy town environment and to ride to work through green spaces rather than on the road makes for a better day, everyday.	Oct 1, 2013 5:31 PM
46	Visual impact adversley affected by litter. More time clearing this would be	Oct 1, 2013 3:26 PM

	good.	
47	Round the year access	Oct 1, 2013 2:11 PM
48	It would be good to have a public lake for fishing in the area. There is nowhere for the public to fish except canals (which are not so good).	Oct 1, 2013 2:05 PM
49	Could you please consider the treatment of verges and trees in the area. For example, is it really necessary to trim off every last tiny piece of green ground cover from retaining dirt banks and to cut off any tree branch lower than 4 feet from the ground, not to mention almost obliterating shrubs - perhaps employing people who know the difference between a weed and a cultivated plant would help	Oct 1, 2013 1:58 PM
50	I would love it if the park at Gooden Crescent had something else to play on. Since we moved it, it has had things removed. It is the nearest park to Tower Hill Primary School and is more than full from 3.30 - 4.00 every school day.	Oct 1, 2013 1:48 PM
51	People need to be prosecuted for not clearing up after their dogs	Oct 1, 2013 1:38 PM
52	Manage the allotments, so that untended ones are passed swiftly to those people on the waiting list.	Oct 1, 2013 1:27 PM
53	Local park at Gooden crescent. Items were taken away a few years ago and never replaced. This park is frequently used on a daily basis by local families and after school. Would nice to be updated.	Oct 1, 2013 12:47 PM
54	More cycleways so my children can ride their bikes safely to Aldershot and Manor parks, including safe road crossings	Oct 1, 2013 12:34 PM
55	To protect the few remaining green spaces in Farnborough, rather than Rushmoor Council allowing unwanted development such as on Firgrove green.	Oct 1, 2013 11:35 AM
56	Aldershot park and manor park need better toilets. They are so unhygienic and grim. I hate it if my child needs to go as they really are disgusting. Manor park could do with updating and have a sandpit with a paddling pool? Currently the new skate board park in manor park is much bigger than the play park.	Oct 1, 2013 11:34 AM
57	Aldershot lacks ambition, needs to come into the 21st Century. Westgate a prime example. No public art, in fact none any where, boring street furniture and no running water. Why not a series of vertical water jets that kids love to play in. Aldershot needs to liaise with its creative community, Commission street art, etc. Just drive on French motorways and see the interest that can be created simply with modern materials etc	Oct 1, 2013 11:06 AM
58	I am not sure. Because I live opposite King George V Park I can only speak of this. I think the facilities are excellent, for the children, walking dogs, football, school sports, picnic in the park, May Day amusements. So many things that people can enjoy. More than excellent.	Oct 1, 2013 10:53 AM
59	Keep the places tidy. People don't respect these places. They throw rubbish in parks, on the roads. No respect for their surroundings or other people. Seems to be getting worse.	Oct 1, 2013 10:01 AM
60	More wild life areas required	Oct 1, 2013 9:06 AM

**Page 5, Q12. If you think existing parks and open spaces need improving, what do you think these improvements should be?**

61	The creation of natural areas to support wildlife, far too much of our open space is "over manicured"	Oct 1, 2013 8:48 AM
62	I would like to see visible presence of park wardens in Manor Park, Aldershot at all times when teenagers/younger people are using the park and are not accompanied/supervised by adults. I would also like to see heavy fines levied and prosecutions for those littering anywhere but especially parks.	Oct 1, 2013 8:26 AM
63	Enhancing the environmental aspects of parks i.e. perhaps more spaces for wild animal habitats, so that small creatures can make a home and be observed by humans without too much disturbance. Creating a balance between the needs of humankind for exercise/relaxation and for wild creatures.	Oct 1, 2013 8:25 AM
64	Manor park needs improving, Aldershot Park is amazing but Manor Park hasnt been improved for a longtime and is well used.	Oct 1, 2013 7:53 AM
65	MORE DOG BINS!!!!. Dog bins at the entrances to the park are not enough, because I frequently find full doggy bags, tied to trees and bushes, or dropped on the ground. The bins need to be spread evenly throughout the park(s).	Oct 1, 2013 7:33 AM
66	Extra litter and dog mess bins in all parks and woodland area's.	Oct 1, 2013 7:32 AM
67	Possible attendant on duty? My personal gripe is the amount litter left by both children and adults - especially summer evenings when groups of youngsters congregate to have take away food and alcohol - the rubbish bins provided could be of a better design (i.e. to take pizza boxes). Seeing what has been left is upsets me. It could be there is nowhere to go? Do the CCTV cameras work?	Oct 1, 2013 7:32 AM
68	Instead of spending £millions repaving shopping areas, this money should be spent buying small areas (3 or 4 houses large), to make small park / play areas and places for small groups to gather and relax, and simply enjoy being outside. Most new housing schemes are built without sufficient garden area for a family's normal development.	Sep 30, 2013 10:30 PM
69	I think Aldershots new skatepark should be completely rebuilt	Sep 30, 2013 9:35 PM
70	What is the point of putting up notices saying the equipment is for the use of up to 12 years of age when it is not enforced and teenagers and children's parents use the equipment,	Sep 30, 2013 9:34 PM
71	Osborne rd park could do with a revamp	Sep 30, 2013 8:56 PM
72	Farnborough skate, needs to have a jump box and new wood put in the half pipe. An indoor skate park in Hampshire and new ramps or a new skater park in farnborough	Sep 30, 2013 8:36 PM
73	Sadly, the council has reduced the amount of public open space to make way for a new hotel development which we do not need	Sep 30, 2013 8:29 PM
74	Regular updates to Children play areas, taking children out becomes an excuse to meet your friends or do a BBQ etc The best example of a park is King George playing fields and I used to drive for 5 miles from aldershot for this park for for our children Some folks drive from 1-3 miles away to get to this park even when they have a park behind their house	Sep 30, 2013 8:27 PM

**Page 5, Q12. If you think existing parks and open spaces need improving, what do you think these improvements should be?**

75	The whole borough is grossly over-developed. Need more wildlife habitats - more woodland, heathland, grassland, etc.	Sep 30, 2013 8:07 PM
76	We love visiting gardens but most parks in Farnborough have no flower beds, formal beds or shrubs	Sep 30, 2013 8:05 PM
77	With the dark evening approaching I'd like to see the lighting in cove green improved, councillors have been saying (during election campaigns) that the lighting is a priority and will be improved.....yet so far nothing has been done. With poor lighting it just encourages teenagers to drink alcohol and be a nuisance to people walking in the park.	Sep 30, 2013 7:53 PM
78	face lift bring them into date, new play equipment for children,	Sep 30, 2013 7:50 PM
79	Improve the facilities for dog walkers ie all weather walk ways, better dog bins and physically separate dog areas from the play areas such as football pitches so that they don't get fouled. Re-instate the flower beds that have been removed from our parks.	Sep 30, 2013 7:50 PM
80	Ironic that you are talking about preserving our green spaces when you allowed the beautiful trees to be cut down at Firgrove!	Sep 30, 2013 7:08 PM
81	A facility similar to Frimley Lodge Park in Surrey Heath would be magnificent. Also long stretches of the Basingstoke Canal towpath are still neglected and in appropriately left to nature. With lots of cyclists, walkers and jogger snow using the path, it needs to be wider, less prone to flooding and of a proper all-weather surface.	Sep 30, 2013 6:37 PM
82	Making them more accessible and telling people where they are. They also need to have security to discourage anti social behaviour, which is all too common in Aldershot	Sep 30, 2013 6:36 PM
83	Upgrade the childrens play equipment. More equipment needed at Blunden Hall playground like a bigger climbing frame wood if possible for imaginative play. Natural equipment like logs large stones to improve the general feel of the play areas AND more seating. This is proberby true at every park.	Sep 30, 2013 6:33 PM
84	Go take a look at Eastrop Park in Basingstoke	Sep 30, 2013 6:23 PM
85	I cannot comment on Aldershot because I do not go there anymore. For Farnborough, a less urban scene with at least a nod to what Farnborough was a few years ago would help. 'Never forget your roots'. I was born in Farnborough many years ago and the changes have all been downward. The advertising slogan was ' Come and live longer in Farnborough' with pictures of trees, One could hardly say that now. It has become a feeble version of a relief road around Heathrow. Nobody needs that.	Sep 30, 2013 6:21 PM
86	better play equipment and seating.	Sep 30, 2013 6:18 PM
87	Updating play areas such as Blundon park in farnborough and regular safety checks and cleaning broken glass and removing graffiti.	Sep 30, 2013 6:16 PM
88	Park Benches. Dont let the hooligans win ,Tradition of our Nepalese friends to sit around this creates a bit of a problem,Princess gardens badly in need of a doubling up of same.	Sep 30, 2013 6:11 PM
89	Would like to see more wildlife, woodland type spaces for walking and	Sep 30, 2013 6:06 PM

	rambling rather than play areas.	
90	More benches to sit along the Cove Brook, these could easily be "Memorial Benches", to keep the cost down.	Sep 30, 2013 5:58 PM
91	More litter collection and graffiti removal. More visible police presence.	Sep 30, 2013 5:55 PM
92	There does not seem to be a proper market square now in Aldershot nor facilities for the elderly Gurkas who seem to spend all days wandering round the library area or sitting in the shopping centre. Aldershot seems to lack a heart these days and only seems to have fast food outlets.	Sep 30, 2013 5:52 PM
93	Need to be monitored regularly to deal with litter or people creating litter.	Sep 30, 2013 5:43 PM
94	Avoidance of hard fencing or access restrictions such as have been erected around gravel pits alongside Blackwater Valley road from Aldershot to Farnborough.	Sep 30, 2013 5:40 PM
95	More basketball courts. The kids LOVE them and there is so little for the older children/young adults to do outside. Osborne Rd is ALWAYS busy. we need more. You should have made the developers at Queensgate build another court. ALL developers should build recreational facilities for the youngsters	Sep 30, 2013 5:29 PM
96	More allotments are needed	Sep 30, 2013 5:28 PM
97	We need to focus on mature greenery and trees over new trees. As a resident of Aldershot I use the parks here more, but I think more provision for litter collection and falling leaves are needed.	Sep 30, 2013 5:22 PM
98	The park at the top of Redan Road in Aldershot is an absolute disgrace, it is shabby, poorly equipped, dangerous when the substance abusers have frequented the area and a waste of space. It needs updating drastically so the local children have somewhere safe to play and not hang around the busy roads.	Sep 30, 2013 5:18 PM
99	Better play areas for toddlers and older children	Sep 30, 2013 4:34 PM
100	Safe places to run/jog. Cycle ways.	Sep 30, 2013 4:27 PM
101	The current parks and open spaces are often mixed use which can cause problems, eg toddler play areas together with football pitches.	Sep 30, 2013 4:26 PM
102	A few more benches/seating would be nice	Sep 30, 2013 4:24 PM
103	More knowledge of Geocaching as it's a fantastic activity councils should encourage this. And more covering in places other than town centres	Sep 30, 2013 4:23 PM
104	More information about natural features	Sep 30, 2013 10:38 AM
105	Too much litter and dogs muck!!	Sep 30, 2013 9:43 AM
106	better lighting, more PCSO patrols to combat intimidation and drug/alcohol use, less dog mess	Sep 29, 2013 9:23 PM
107	See above	Sep 28, 2013 8:31 AM

**Page 5, Q12. If you think existing parks and open spaces need improving, what do you think these improvements should be?**

108	Cove rec needs improving and updating especially childrens play park, needs more equipment in general and toddler accessible friendly equipment. More seating needed throughout the park and more bins required as there is so much rubbish left aswell as dog mess (more dog bins at all corners of the park)	Sep 27, 2013 10:02 PM
109	More natural space. We have lost much of our green space to housing. we often go outside the borough to access green space because there is little available here. we need more areas like Rowhill nature reserve	Sep 27, 2013 9:10 PM
110	Do away with the park in Fairfax Road, and put in more parking spaces	Sep 27, 2013 4:21 PM
111	I only would like to have more facilities for toddlers in the park.	Sep 27, 2013 12:38 PM
112	They should be available to the whole of the community for community events and not dedictaed in full or part to one activity	Sep 27, 2013 10:35 AM
113	allocated space for public gatherings	Sep 27, 2013 10:00 AM
114	Enforcing litter and dog fowling laws. It would good to have a play park near Farnborough town centre. Queen Elizabeth is a bit out of our way and has no swings (my children don't like bowl swing and it's often being used (abused) by bigger children). Also a lot of parks have swings with short frames/chains which are rubbish even for young children. King George V park is the best for space and facilities, but quite a distance for us :(	Sep 27, 2013 9:48 AM
115	Designated areas for dogs. Kept on lead elsewhere	Sep 27, 2013 8:12 AM
116	Please bring Park Run to Farnborough. Oak Farm playing fields would be ideal, but organisers can help with finding a suitable location. Polo Fields on Queens Avenue might also be good. Just look at what goes on in Frimely Lodge Park and think how good it would be to bring a similar event to Rushmoor.	Sep 27, 2013 8:05 AM
117	I think it would be good to add permanent BBQ area - it would encourage more family use and socialising.	Sep 27, 2013 5:26 AM
118	some need up dateing with better aperaters and seating areas some where to have a bq with tables in summer months	Sep 27, 2013 2:40 AM
119	Moor Road park needs ripping out and starting again. New kids equipment with a long slide, BMX Skate Park, Outdoor Gym Equipment and some public toilets as kids always want the loo just as you arrive. A community Building with good parking. The tree line from Cherrywood Road should be thinned out so the Park can be seen from the road and be easily monitored from the road by our Beat Officers	Sep 26, 2013 9:42 PM
120	I think that cleanliness could be improved in the summer months when the parks are at there busiest. At the end of the day and weekends, there is always a lot of litter which is sad to see.	Sep 26, 2013 12:00 PM
121	Rubbish should be cleaned up more oftern, and dog's banned as owners rarely clean up after them.	Sep 25, 2013 12:57 PM

**Page 6, Q16. Do you have any other comments on your local park or open space?**

1	Feel very unsafe in Queen Elizabeth Park so don't go there.	Oct 16, 2013 5:44 PM
2	I really appreciate having Manor Park within walking distance. During the daytime when other people are in the park I feel safe but I wouldnt go to the park if other people were not around or if its dusk or dark - but as a female thats common sense I suppose...	Oct 16, 2013 1:46 PM
3	There is little done in the Borough to stop or rectify dog fouling. There are few litter bins and those provided can be overflowing. A community campaign to clean up the river by Aldershot Park woul dbe good as its currently full of shopping trolleys, bikes and tyres!	Oct 16, 2013 11:55 AM
4	I feel that trees and shrub can and do get over pruned which i feel is wrong and unecessary, also it can spoil the visual impact and alter the general atmosphere of the area. As i am a resident in a flat it is important to be able to have access to parks, gardens.	Oct 13, 2013 7:48 PM
5	More could be done to remove anti social behaviour in the evenings stop youth using the childrens play park area.	Oct 13, 2013 3:28 PM
6	More toilets which are CLEAN please!	Oct 10, 2013 11:34 AM
7	Don't develop on the parks and green spaces of Farnborough and aldershot, soon it will be Alderborough because there will not be a divide between the two towns	Oct 9, 2013 9:36 PM
8	Same comments as above	Oct 9, 2013 4:59 PM
9	There should be more wild flower usage .	Oct 8, 2013 4:17 PM
10	In general there are not enough seats within Manor Park or Municipal Gardens. Such seating as is in place is generally occupied most of the day by groups of Nepalese who do not seem to have anywhere else to congregate.	Oct 8, 2013 3:21 PM
11	We tend to use Aldershot Park as the main recreational park for our 6-year old son as the playground is excellent and more enjoyable; however, we should be using by proximity either our neighbourhood's local park in Egret Gardens, Manor Park or the Municipal Park in Aldershot but the playground is not very stimulating for our son and they are really out of date. The grounds (the grass specially) and generally well kept though and are relatively clen. We would love to see the same playground facilities that we currently have in Aldershot Park in all public spaces in Aldershot. The new facilities in Aldershot Park have regenerated that area in town which is fairly deprived and is a complete joy to be there and watch children from all different type of backgrounds playing together and enjoying themselves. Congratulations Rushmoore / Hants County Councils! It would be good to have a Cafeteria there...	Oct 8, 2013 12:53 PM
12	Chrismas Lodge should have been re-integrated to Brickfields Park. You could then have used it to garner more section 106 payments for Aldershot development.	Oct 8, 2013 11:24 AM
13	The Manor Park strongly needs a lot of new equipment for the children. There are a lot of children in the park and no nice soft play.	Oct 7, 2013 7:51 PM
14	In general the parks and open spaces within the borough are all well maintained, clean, and tidy, The flower beds are also colourful and change	Oct 7, 2013 2:13 PM

	with the seasons	
15	There is a distinct lack of park/open space in the North Town area. My very young grandchildren live in North Town and there is nowhere near enough to walk with them. My daughter does not have a car and they have to rely on me to take them somewhere suitable to play. The good play area within Denmark Square was demolished and nothing was put in its place. I realise the whole area is being redeveloped but this will take years and my understanding from local people is that there is no plan for any temporary park/play facility while the redevelopment is taking place.	Oct 7, 2013 1:13 PM
16	My house overlooks the church (top) end of Manor Park and it was and is the upstairs view that well satisfies my desire to remain in situ. I do have an issue with vehicles and young people congregating near the heroes' shrine in terms of noise and litter.	Oct 6, 2013 11:08 AM
17	i live close to the train station and i dont have anything open in the vicinity of 5 mins walk...	Oct 6, 2013 8:34 AM
18	Access to Hawley Meadows from Rushmoor almost impossible, suggest new access via Cove Brook across Reading - Guilford railway line be provisioned. Access used to exist many years ago from Hawley Road at a point where Cove Brook passes under the railway line	Oct 5, 2013 4:09 PM
19	A Cafe in King George V Pavilion would benefit the experience of visiting the park.	Oct 5, 2013 3:48 PM
20	In summer evenings it is taken over by the young drinkers who generate a lot of broken glass and litter	Oct 4, 2013 7:47 PM
21	I think it is a credit to Rushmoor but I feel more could be done for wildlife, particularly turning the pond into a less ornamental concrete structure and one more suitable for associated flora and fauna.	Oct 4, 2013 7:35 PM
22	The childrens play area is often littered with broken glass especially at weekends and therefore not usable by toddlers	Oct 4, 2013 1:33 PM
23	I like the size of it, the vastness, and the layout with slopes trees and grass etc - its a nice park	Oct 4, 2013 11:36 AM
24	My wife and I consider ourselves to be very lucky with the range and quality of park and open spaces to which we have access in Rushmoor	Oct 4, 2013 9:10 AM
25	we value very highly our trees & open grassed areas for our own benefits plus the wild life within these areas.	Oct 3, 2013 4:37 PM
26	Ordinarily one would think personal safety in the parks would be assured. Sadly any confrontation with anti social behaviour (which I have witnessed on occasions) by the park user would be met with certainly a verbal and a possible physical assault. Also in the main dogs are generally under control however there are instances where they are not albeit they may be young and more boisterous and not dangerous, but never the less cause fear, this can also lead to confrontation especially where fear has been experienced be it by a younger family member or for oneself. This is something that could be expressed on noticeboards at entry points to the green areas of each park. These events are generally dealt with amicably by all parties but dog walkers should be reminded of their responsibilities to other park users.	Oct 3, 2013 4:06 PM

**Page 6, Q16. Do you have any other comments on your local park or open space?**

27	I believe we are very lucky in this area to have such an abundance of parks and sports facilities, that are well maintained.	Oct 3, 2013 4:01 PM
28	Teenagers tend to loiter in our local parks in the evening and I feel very unsafe and intimidated using the park to walk my dog at this time.	Oct 3, 2013 12:26 AM
29	provide facility for adult exercise.	Oct 2, 2013 7:43 PM
30	No	Oct 2, 2013 1:27 PM
31	I frequently use the new Southwood Woodlands as an alternative to the Fleet Pond, Hawley Woods or Ancells Farm recreational areas. This latest amenity is superb but hidden and poorly advertised and nil provision of parking is just plain daft. I rarely meet more than half a dozen people in the Southwood woodland and this could be enhanced to encourage more us by adequate parking and finishing a job that is clearly 85% there but seems to have just stopped going to completion stage.	Oct 2, 2013 1:22 PM
32	Groups of teenagers/older children hanging around the play areas can be intimidating to me and the children that my son is playing with. They use the play equipment inappropriately and won't get off of it so the smaller children can have a turn. They can be rude and abusive too. A café facility would encourage mums/older people to use the park more. There are times we avoid the park i.e. earlier in the day due to the large number of dogs running around unleashed there. Not all dog owners are considerate and pick up after their dog has used the area as a toilet. Some of the owners are quite intimidating too.	Oct 2, 2013 12:11 PM
33	Better fencing of green space to make it more usable for ball games and benches in green space, not just kids playground.	Oct 2, 2013 11:29 AM
34	The toilets at St George 5th Playing fields are absolutely disgusting - possibly due to misuse? smelly dark dingy and don't feel safe going in there.	Oct 2, 2013 10:09 AM
35	Cycling to green spaces is made very difficult and dangerous because of the negative culture towards cyclists on the roads, and the lack of traffic free cycle routes. Pedestrians don't want us around either. Litter and dog poo is an issue everywhere. Not enough benches anywhere. Most people of working age do not have the time to 'get involved in the management of their green space if they wanted to' . Today's world is very different to that of 30 years ago, as the government is even making mums with very young children find employment, to pay off the country's debt. So who has time to volunteer their services to anything anymore? Not many people... Nettles and branches growing into the public rights of ways is a problem for users. They are very rarely cut back to keep paths clear.	Oct 1, 2013 9:42 PM
36	I live half way between Manor Park and Aldershot Park and use both for walking. I don't do sports. Both parks are tidy and attractive. Well done to the teams who maintain them.	Oct 1, 2013 7:52 PM
37	the ivy road green were i go could do with seating	Oct 1, 2013 6:18 PM
38	frimley lodge park is brilliant.	Oct 1, 2013 5:34 PM
39	We need a fishing lake - fishing is the biggest sport in the UK and we should encourage youngsters into the sport. there is a lot of football facilities but not a lot of alternative sports.	Oct 1, 2013 2:28 PM

**Page 6, Q16. Do you have any other comments on your local park or open space?**

40	I really appreciate the open spaces that we have in Farnborough but I worry with the ever increasing cry for high density housing (we seem to have our fair share of multi occupancy blocks of flats popping up) our green spaces will be threatened - please, please, don't build on the spaces we have got - and I include in that the green bits that link the towns facilities which are every bit as important as the actual parks. I watched in horror as the mature trees at the Tumble Down Dick were cut down, and for what? so that we can have yet another fast food place to stink the area out and encourage obesity - and don't get me started on the throwing of fast food packaging out of cars!!!	Oct 1, 2013 2:05 PM
41	Our local park (Busk crescent) needs modernizing	Oct 1, 2013 1:59 PM
42	Need to replace the stuff taken out.	Oct 1, 2013 1:50 PM
43	I use Manor Park quite frequently but I would only use it during the early part of the day as it tends to be a meeting place for schoolchildren who are not always well behaved. Likewise with Brickfields Park, where empty lager cans and general rubbish discarded. This area is known to the Police and they have been exceptional in curbing anti-social behaviour as well as moped riding.	Oct 1, 2013 1:43 PM
44	Rushmoor staff do a brilliant job of maintaining the parks, gardens & roadside & town shrubberies. Please could we have a little help to maintain the allotments, particularly the common paths and drives - vandalism & theft could be reduced to zero with a little fencing. Allotment holders would be happy to spend even more time and money if we could be sure our work area is safe and secure.	Oct 1, 2013 1:35 PM
45	I am extremely happy with the parks and open spaces in my area.	Oct 1, 2013 1:20 PM
46	Brickfields needs more attention, especially the pond	Oct 1, 2013 1:16 PM
47	I feel safe using the park during the day, but wouldn't go near it at night. Some of the new tables are already vandalised which is a shame. The toilets are revolting and smell horrible - we use the rugby club ones as my husband is normally playing when we are at the park.	Oct 1, 2013 12:38 PM
48	My children find that the play area in Queen Elizabeth park is frequently full of teenagers which stops my children wanting to play there.	Oct 1, 2013 12:24 PM
49	Farnborough has just lost a great green space, Firgrove Green, for an unwanted hotel. I had used that space since I was a child. Very saddened at the council actions.	Oct 1, 2013 11:39 AM
50	There needs to be more allotments. Also, people on the waiting list for an allotment should be kept up to date on the length of their wait.	Oct 1, 2013 11:20 AM
51	It would be good to have more seating in King George V.	Oct 1, 2013 10:57 AM
52	The playing field area is very prone to flooding, it appears that it may not be very flat, but bowl shaped, so rainwater just sits in the middle.	Oct 1, 2013 9:13 AM
53	None	Oct 1, 2013 9:10 AM
54	The top footpath that runs along the back of the west end centre could do with some lighting similar to the other paths. That part of the park doesn't feel safe during dusk/wintertime.	Oct 1, 2013 8:58 AM

**Page 6, Q16. Do you have any other comments on your local park or open space?**

55	Propose Southwood Woodlands has proper link path crossing Kennals Lane for improved access to Fleet Pond area. Currently we use a muddy narrow unmaintained pathway along with many other users. We use this route for walks from the Woodland to Tweseldown, the Canal, The Foresters and Fleet Pond.	Oct 1, 2013 8:50 AM
56	I love Queen Elizabeth Park partly because it is within easy walking distance, however, I tend to prefer to go with a friend for company as this park is quite secluded in places and I have seen people taking drugs in the past. I would wish for QE Park to be more open planned and lots of the trees and shrubs cleared back (not for this greenery to be taken away but to be made more transparent for people walking and children playing in the park.	Oct 1, 2013 8:41 AM
57	I would like to see a small team of park wardens operating in Manor Park Aldershot when there are teenagers/younger people visiting the park unaccompanied/unsupervised by adults. Active monitoring at all times the park is open to detect/prosecute littering and vandalism - heaviest possible fines imposed for culprits. Soft landscaping (foliage) added to the new skateboard park surrounds to lessen the visual impact this has on the rest of the park.	Oct 1, 2013 8:32 AM
58	Perhaps some more seats on the outer rim/footpath, but maintaining the overall balance i.e. not to create too many seating areas where gangs of youths simply use them as a focal point for congregating.	Oct 1, 2013 8:29 AM
59	The litter bins at the wellington statue are always over spilling and beer tin cans scattered around the grass banks.	Oct 1, 2013 7:59 AM
60	I do believe that it is the general public (some) have no respect for what they have got in the way of parks and open spaces - they litter these areas like they do on footpaths and gutters.	Oct 1, 2013 7:38 AM
61	MORE DOG BINS!! and more bins in general.	Oct 1, 2013 7:37 AM
62	They are the only reason for paying council tax!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!	Oct 1, 2013 7:28 AM
63	Municipal Gardens is not a place that I would feel safe after dark, by very early morning it appears people have used the park for other activities (drinking drugs sleeping out),have to commend Rushmoor on its early morning "clean up" by two operatives every day. Rowhill Copse in general is safer.	Oct 1, 2013 7:26 AM
64	I have now moved to church Crookham in fleet so not sure my answers apply to rushmoor any longer	Oct 1, 2013 6:30 AM
65	Car parking at Fleet Ponds could be improved ..... possibly outside Rushmoor area.	Sep 30, 2013 10:33 PM
66	It would be good to see more equipment at the park	Sep 30, 2013 10:13 PM
67	Not enough is done in all parks to protect younger kids from intimidation and bullying.	Sep 30, 2013 9:38 PM
68	I love KGV - beautiful space and great play equipment. Well used by locals and those from outside the area.	Sep 30, 2013 8:57 PM
69	Our local park at Priory street badly needs the update ASAP Dog fouling is becoming a big problem The tennis courts also need an update	Sep 30, 2013 8:30 PM

70	Preserve all our remaining open space. Firgrove Parade development is a disgrace!	Sep 30, 2013 8:14 PM
71	Rushmoor do well by their parks. Please continue to do so.	Sep 30, 2013 8:00 PM
72	Address the drinking and dog owners that don't keep their dogs on a lead when children are play and think its funny when their dog is running around out of control and scaring the children and other park users. It won't be long before someone is seriously injured or worse.	Sep 30, 2013 7:59 PM
73	Could we have some basic exercise equipment in them.	Sep 30, 2013 7:57 PM
74	more litter picking required and prevent dog fouling	Sep 30, 2013 7:53 PM
75	Parking is a problem, especially when football is being played. Noticed near misses where traffic is queing to enter the car park.	Sep 30, 2013 7:28 PM
76	The volume of traffic on the roads makes it important to have more off-road cycle paths available. Rushmoor needs to take a look at how Woking in Surrey have prioritised the use of bikes in urban areas. Otherwise we will not see young people leaving their cars behind and exercise/obesity will continue to be a problem here.	Sep 30, 2013 6:46 PM
77	Don't go there it's boring	Sep 30, 2013 6:25 PM
78	Rushmoor needs to provide more open spaces for teenagers so they don't take over parks designed for under 12' s.	Sep 30, 2013 6:22 PM
79	Aldershot Park football and sport pitches are a disgrace it looks like its take your money and get on with it ,what chance have young people of improving there sport on these type pitches.	Sep 30, 2013 6:22 PM
80	I think that Rushmoor is well served with good parks we don't need any more but certainly not less!! We walk along the Canal and friends have said they don't like cycling along there because walkers get in the way!!! The Canal path isn't good when wet can be quite slippery in places	Sep 30, 2013 6:21 PM
81	There is only Blunden Hall car park and that closes at 6pm normally. Fine for the winter evenings, but too early for the summer.	Sep 30, 2013 6:02 PM
82	The park called 'Redan Gardens' is not looked after very well at all. Litter is often a problem and no one seems to patrol it to stop such problems occurring.	Sep 30, 2013 5:46 PM

89	Although I am responsible dog owner and always pick up after my dog, it is surprising how many do not! Something I do not understand as surely they are just as likely to stand in it as I am!? Not sure really what can be done about it apart from having manpower to catch them in the act? Not even sure that free 'poo bags' would help?	Sep 30, 2013 4:48 PM
90	Maybe more for wildlife where possible	Sep 30, 2013 4:29 PM
91	Our local park is a field, it used to have play equipment but doesn't anymore, the estate would greatly benefit from some good play equipment to entertain small children as well as teens, and will encourage networking with local parents	Sep 30, 2013 4:27 PM
92	Café / catering facilities, in the parks would be nice like in frimley lodge park	Sep 30, 2013 12:31 PM
93	the park was built to encourage community to come together - Nepalese have made it theirs only - others are no longer welcome and are intimidated into leaving the park. they are often using or selling drugs at the park or in the surrounding areas	Sep 29, 2013 9:26 PM
94	I am concerned about plans to build on Moor Road. This is the only park/play area for a lot of people in this area. If this is taken it will be a major loss to the community.	Sep 28, 2013 10:03 AM
95	The walking path along Cove Brook is generally clean. The Brook itself needs more frequent clean up, as a lot of litter tends to be thrown in the water.	Sep 28, 2013 8:54 AM

101	In Fairfax Road park the fence goes round the whole green area where in theory there shouldn't be any ball games (or glass or dogs) in reality there are all 3! I think ball games should be permitted at the grass end. But not in the play ground area as it;s dangerous. But again none of this seems to be enforced!??	Sep 27, 2013 9:53 AM
102	Getting to Oak Farm playing fields via Squirrel Lane isn't always safe as cars travelling to use facilities at Cove FC drive very fast and have no regard for walkers, cyclists, children etc. Please consider traffic calming measures before accidents happen. Won't take much to fix though.	Sep 27, 2013 8:09 AM
103	My local park alway seems to get a lot of litter. By the nature of the litter I am convinced it is school children on their way to school.	Sep 27, 2013 5:30 AM

**Page 7, Q22. If you think the existing allotments need improving, what improvements should be made?**

1	I understand from friends that have them there is a very long waiting list, years in fact. Given that we are all encouraged to save food miles surely more could be done to provide additional allotments.	Oct 21, 2013 12:04 AM
2	A shared scheme, partnering scheme to link up experienced growers with novices so they can share knowledge and space would be great	Oct 16, 2013 11:56 AM
3	Allotment holders should be encouraged to recycle green waste. The number of fires lit to dispose of green waste has increased year by year. Some, at times, have been left unattended to burn them selves out.	Oct 13, 2013 6:08 PM
4	More allotments, I will have been on the waiting list for 3 years in December	Oct 9, 2013 9:38 PM
5	I gave up my plot because there was too much pressure from the Committee (there are not enough allotments in Aldershot and there were about 100 people on the waiting list at the time) and although Aldershot Allotments (Park Rd) is a member of the NSALG - National Association of Allotments and Leisure Gardens, the level of pressure meant that there was little leisure or enjoyment derived from tilling my plot and it became much too stressful for me to continue.	Oct 8, 2013 12:32 PM
6	Simply a requirement that if not used fully they should be made available.	Oct 6, 2013 11:09 AM
7	The council need to provide allotments.	Oct 5, 2013 7:08 PM
8	Should be screened from neighboring houses / gardens, where ever possible	Oct 5, 2013 9:26 AM
9	I had an allotment after waiting for years... but then didn't have time to keep it up. They should be more secure. More use of CCTV in general would be good. A toilet would be very handy!! Impossible to pop to the loo if you are not at home... Not everyone lives next door to their allotments, and most have to travel 5 or 10 mins to the allotment...	Oct 1, 2013 9:48 PM
10	do not know	Oct 1, 2013 7:29 PM
11	There are a number of plots on the Cove Green site that are not worked - effectively abandoned. I would like to see a quicker turnaround so that people who would like the great opportunity of having an allotment are not waiting so long - if folks aren't using the allotment - then get them off quickly! Cove Green is an open site and so improvements of the type that I would like are not feasible because of the vandalism that we suffer. So unless you can put a fence up, and a lock on the gate, not much point in thinking about improvements I'm afraid.	Oct 1, 2013 2:09 PM
12	Put the price up to deter those that don't really want to use it.	Oct 1, 2013 1:50 PM
13	Please could we have a little help to maintain the allotments, particulary the common paths and drives - vandalism & theft could be reduced to zero with a little fencing. Allotment holders would be happy to spend even more time and money if we could be sure our work area is safe and secure. Pass untended allotments quickly onto people on the waiting list. Toilets & washing facilities would be a total luxury - others have them!	Oct 1, 2013 1:37 PM
14	There are a few allotments that are not maintained at all, these need to be removed from people and given to people who will use them.	Oct 1, 2013 12:25 PM
15	Allotment space should be used for housing.	Oct 1, 2013 11:59 AM

**Page 7, Q22. If you think the existing allotments need improving, what improvements should be made?**

16	More allotments should be made available and existing allotments, which are currently overgrown and not used should be made available immediately.	Oct 1, 2013 11:21 AM
17	Make them more accessible to town centre?	Oct 1, 2013 8:59 AM
18	Previously had an allotment but gave it up due to work commitments and micromanaging by council staff who told be I wasn't using all of it. They did not want to listen to the explanation that half the allotment was covered for use later.	Oct 1, 2013 7:55 AM
19	There is one near where I live - some allotments are well kept and used. Others are left unmanaged by the allotment owner.	Oct 1, 2013 7:40 AM
20	More transparency about the actual allocation of the allotments and explanation as to why the waiting list is so long - I have been on it for over 5 years and I am convinced there are some people who have been given an allotment who have not been on the list that long	Oct 1, 2013 7:25 AM
21	New tenants should have their allotments cleared for them by the council before they start. (As they do in France) This would help prevent new tenants starting but getting dispirited very quickly by the re-growth of weeds. Overall this would greatly improve the appearance of most of the allotments.	Sep 30, 2013 10:36 PM
22	There should be more small allotment areas, so people do not have to travel as far to get to one. It would be particularly good to be able to walk to one.	Sep 30, 2013 9:18 PM
23	I think the provision of allotments that are secured from theft or vandalism would be a useful addition with low income families particularly encouraged possible with "workshops" and guidance from professionals to ensure success	Sep 30, 2013 9:09 PM
24	Fencing should be improved to stop vandalism	Sep 30, 2013 8:31 PM
25	I share a plot at present - it's great.	Sep 30, 2013 8:01 PM
26	They should be better managed so that if an allotment is not being used it should be passed to some one on the waiting list.	Sep 30, 2013 7:59 PM
27	I did once have one in Cherrywood Road behind the Football Club but gave it up due to the candles	Sep 30, 2013 7:00 PM
28	Better road access for parking and deliveries of essential supplies. I have a plot with very poor soil and a significant weed problem. I have to drive there by car and hand carry up a bank and along a path. Impossible for compost or sterilised manure delivery that are very much needed to improve the soil. Allow wildlife and natural predators a better chance, manicured lawn paths do nothing to support this.	Sep 30, 2013 6:33 PM
29	More allotments would be good. Some council help with maintenance of communal paths would be helpful	Sep 30, 2013 5:32 PM
30	From friends who have allotments they say security is an issue. they are often broken into and vandalised.	Sep 30, 2013 5:28 PM
31	I understand from friends that there is a significant shortage of allotments in Aldershot.	Sep 30, 2013 5:22 PM
32	Maybe more allotments due to people growing own food	Sep 30, 2013 4:30 PM

**Page 7, Q22. If you think the existing allotments need improving, what improvements should be made?**

33	more of them and or community farm would be nice	Sep 30, 2013 12:34 PM
34	stop selling the sites off for housing/development	Sep 29, 2013 9:26 PM
35	Safety of the users.	Sep 27, 2013 10:05 AM
36	There needs to be more allotments - clearly the length of the waiting list demonstrates this. Not all allotments are being used and little appears to be done to release derelict plots - you need to get out there and check them! There is a statutory requirement to provide allotments if they are required. You are hiding behind the data protection act in preventing people from finding out who in their area wants one and therefore getting together to force the council to provide the space. Perhaps converting Farnborough football club back to a green site would a lot more productive than the club itself!	Sep 27, 2013 5:37 AM

1	There should be more joint relaxing facilities, skate park, graffiti walls where they can express themselves within a guidelines, such as no swearing or offensive images. Studies show that giving street artists space to express themselves cuts out graffiti in other areas	Oct 16, 2013 11:58 AM
2	more climbing walls for teens and adults	Oct 10, 2013 12:00 PM
3	Updated equipment in Manor park playground needed, and a bit more choice	Oct 10, 2013 6:47 AM
4	As metioned before, the play areas in the Municipal and Manor Parks need updating. The Municipal Park one is extremelly out of date and is slightly unsafe (too much book and hard metal everywhere)	Oct 8, 2013 1:00 PM
5	In the Manor Park - NEW EQUIPMENT AND TOTALLY NEW EQUIPPED PLAY AREAS. The existing one is awful. There is so much space and so many children around.	Oct 7, 2013 7:56 PM
6	there arent a lot to do for kids in Farnborough	Oct 6, 2013 8:35 AM
7	Too much broken glass around in Blunden	Oct 4, 2013 1:35 PM
8	AS WE DO NOT HAVE ANY CHILDREN THIS SECTION DOES NOT APPLY TO US. SO UNABLE TO MAKE ANY COMMENTS .	Oct 3, 2013 4:41 PM
9	New equipment at Osborne Road and Queens Road parks	Oct 2, 2013 4:30 PM
10	More choice, updated and generally more things for kids of different ages	Oct 2, 2013 2:39 PM
11	Inclusion of toilets, cafe etc. for the skatepark use. Refresh/keep up to date the equipment, ensure the flood lights are working (maintenance is generally carried out during the day leaving the lights overlooked, several are regularly out.). Provision of recycling bins to promote recycling (plus a real drive on users keepig the park tidy, signage etc).	Oct 2, 2013 1:33 PM
12	The spaces need to be larger with more equipment available to use within them. Bigger, older children should not be allowed to use them, but as there are no longer any Park Keeper type people, this is fairly impossible to supervise. The PCSO's are sometimes seen in the parks, but this is not really within their remit unless there is an incident occurring that requires their attention.	Oct 2, 2013 12:19 PM
13	Regular inspection of the play equipment as it regularly gets broken - The roundabout at St Georges has been broken for ages.	Oct 2, 2013 10:16 AM
14	More benches and teen shelters for people to sit on would be a good start...!! Some play areas are really poorly equipped as all the resources seem to have gone to King Georges and Queen Elizabeths. But for many people these are a long way from home. More skate parks. There seems to be a real lack of outdoor places for people 10 years and up to hang out in.	Oct 1, 2013 9:53 PM
15	They need areas to go to that are just for them so they can stop hanging around in the play areas.	Oct 1, 2013 5:46 PM
16	the skate park in Farnborough could do with some new bits and bobs.	Oct 1, 2013 5:39 PM
17	There should be more facilities and they should be more widely advertised. Have the young people been asked what they would like?	Oct 1, 2013 4:45 PM

**Page 8, Q29. If you think improvements are needed to the equipped play areas and other facilities for young people, what should these be?**

18	Farnborough Skate park is fantastic for young people, but it's the only example I know of when considering "skate parks, teen shelters, bmx tracks, climbing walls, green gyms etc."	Oct 1, 2013 2:01 PM
19	Moving the skate park in Manor Park was well received and has made a great difference, although children are still riding their bikes up the paths and scaring the dogs	Oct 1, 2013 1:48 PM
20	Manor park needs improving, both for older and younger children.	Oct 1, 2013 1:18 PM
21	A larger area the skate park gets over crowded at peak periods but it's in a great location to be be overseen for safety	Oct 1, 2013 12:54 PM
22	They need to be well maintained, particularly sand pits. We use the tennis courts at Manor Park and they need a refresh!	Oct 1, 2013 12:40 PM
23	Traditional swings	Oct 1, 2013 12:39 PM
24	I think that the play areas should be checked reguarly to stop teenagers from using the play areas that stop the younger children wanting to use the play areas.	Oct 1, 2013 12:28 PM
25	Less removal of green space for unwanted developments please. Less building into Hawley Wood. More respect for the few remaining green spaces in Farnborough, so our young people and children have places to play in which aren't concreted.	Oct 1, 2013 11:45 AM
26	Updating manor park. Maybe a sandpit and to have an outdoor pool like stoke park for the summer would be great. Better toilets are a must.	Oct 1, 2013 11:38 AM
27	Get the facilities updated. Encourage youngsters to use these places. Go into schools & tell them about these places.	Oct 1, 2013 10:25 AM
28	New Manor Park equipment is required!	Oct 1, 2013 8:18 AM
29	I have visited other parks in England/Wales and some have gym equipment (free to use) perhaps RBC could do similar.	Oct 1, 2013 7:48 AM
30	YES - Ask them.	Oct 1, 2013 7:39 AM
31	More equipment for disabled children. e.g. swings that would prevent a child falling off or out. I used to take my grandson to play area in municipal gardens but there is nothing there that is suitable for a child who cannot walk or sit without support. Never saw another disabled child there!	Oct 1, 2013 7:38 AM
32	Aldershot skatepark should be rebuilt and better suited to the users needs Relocated to a different park away from any possible residential complaints or wildlife restrictions.	Sep 30, 2013 9:41 PM
33	encourage the youngsters, particularly the teenagers that live in the area to take responsibility for their park, not territorially but "ownership", cut down vandalism by making the area "cool", possibly have a wall for tagging and graffiti art.	Sep 30, 2013 9:21 PM
34	Priory St could be improved, King George is great Not sure about facilities for older children - would be good if there were more for children 11+ age	Sep 30, 2013 9:10 PM

**Page 8, Q29. If you think improvements are needed to the equipped play areas and other facilities for young people, what should these be?**

35	I'm not sure what is available for older children. perhaps you could publicise other facilities in the parks using the noticeboards.	Sep 30, 2013 8:58 PM
36	There could always be more. Teenagers need to be made more welcome. They need to feel safe and secure.	Sep 30, 2013 8:02 PM
37	Play area tend to concentrate on equipment for younger children. I think there should be more facilities for older children such as teen shelters, bmx tracks and climbing walls etc.	Sep 30, 2013 6:36 PM
38	Start again	Sep 30, 2013 6:27 PM
39	more imaginative play equipment, more challenging. The park at Queen Road in North Camp is a good example of what can be created to give variety. The goal with the basketball net above it is great. The goal is a very simple design but its great for kids wanting to play football on a hard surface.	Sep 30, 2013 6:25 PM
40	Open gym area free	Sep 30, 2013 6:24 PM
41	More shelters for teens and hang out areas so they don't sit on the young kids equipment	Sep 30, 2013 6:07 PM
42	The Farnborough skate park is good, but there is still a drug problem with older visitors to be wary of, particularly in the late afternoons and evenings.	Sep 30, 2013 6:06 PM
43	more swings everywhere. these are the most popluar bit of equipment. there is space for 3 on each a frame at Osborne rd but you only have 2 hanging! always a queue for them in summer	Sep 30, 2013 5:41 PM
44	Monitoring needs to be improved to prevent unsocial behaviour.	Sep 30, 2013 5:24 PM
45	do not have under 10yrs to use equipped play areas	Sep 30, 2013 4:35 PM
46	More facilities are needed but these need to be monitored to deter vandalism.	Sep 30, 2013 4:32 PM
47	Perhaps a youth club or something	Sep 30, 2013 4:30 PM
48	There should be more tables/benches in the play areas and somewhere for parents to talk to each other while kids play.	Sep 30, 2013 4:30 PM
49	more interesting equipment. The older children's sections do not tend to have swings, or a slide that can be used.	Sep 29, 2013 9:28 PM
50	Better equipment, more selection	Sep 28, 2013 8:38 AM
51	More varied equipment such as king George 5th playground. We often drive to this park than go to our local park (cove green)	Sep 27, 2013 10:09 PM
52	More skate parks ( one in Cherrywood Ward)	Sep 27, 2013 9:19 PM
53	Install new playing of basket ball, Volley balls area etc.	Sep 27, 2013 10:13 AM
54	See answers to previous questions. Please put swings with long chains in!	Sep 27, 2013 9:55 AM
55	another skate park as not every one can use the one in town	Sep 27, 2013 2:48 AM

**Page 8, Q29. If you think improvements are needed to the equipped play areas and other facilities for young people, what should these be?**

56	Needs modernising	Sep 26, 2013 9:51 PM
57	I would like to see the play area at Manor Park refurbished	Sep 26, 2013 12:06 PM
58	equipment should be mended quicker	Sep 25, 2013 2:56 PM

**Page 8, Q30. Please use the following box to make further comments about the open space provided for children and young people in Rushmoor.**

1	i do not have any children, so i am unable to make any comment regarding this part.	Oct 13, 2013 7:48 PM
2	nil	Oct 8, 2013 10:14 AM
3	There is a distinct lack of park/open space in the North Town area. My very young grandchildren live in North Town and there is nowhere near enough to walk with them. My daughter does not have a car and they have to rely on me to take them somewhere suitable to play. The good play area within Denmark Square was demolished and nothing was put in its place. I realise the whole area is being redeveloped but this will take years and my understanding from local people is that there is no plan for any temporary park/play facility while the redevelopment is taking place.	Oct 7, 2013 1:14 PM
4	More little play areas where smaller children can be safe	Oct 4, 2013 1:35 PM
5	There should be more facilities certainly at Aldershot park for those wanting to play tennis, and open air basketball, how this could be accomplished I am unsure as the football, cricket and rugby clubs take up much of the park playing areas which isn't a criticism but an indication that the borough can never have too much open space	Oct 3, 2013 4:20 PM
6	The spaces are not well maintained, they look old and out of date, some parks the swings are missing and there is always rubbish and graffiti.	Oct 2, 2013 2:39 PM
7	There are poor facilities for teenagers/older children to go to and use. The Sports Facilities are generally ok, but there is little available for those who do not enjoy participating in sports. For young children the areas provided are just too small to cope with the number of children using them. especially in busy periods such as the summer school holidays. This highlights the fact that there is little on offer in Rushmoor for children of all ages to do.	Oct 2, 2013 12:19 PM
8	More signs about disposal of dog waste and the penalties would be good. People tend to think its ok not to clear up after their dogs within a playing field. I have never seen any sort of park warden around EVER! Perhaps a visual presence of a warden would be good to encourage people to dispose of dog mess.	Oct 2, 2013 10:16 AM
9	The skate park is fantastic. Just need more of it.	Oct 1, 2013 9:53 PM
10	We occasionally take the grandchildren to the play area in Aldershot Park, which they greatly enjoy. I've got no knowledge of other play facilities in the borough.	Oct 1, 2013 7:54 PM
11	I agree that young people need facilities to meet and enjoy themselves to keep anti-social behaviour down. Hopefully, the play parks are sufficient for them.	Oct 1, 2013 1:48 PM
12	my house overlooks Osborne park that has a basketball area that is in constant use during most dry daylight hours where children from what appears to be all ethnicities play happily until dark. It is uplifting to see healthy and happy children in this context.	Oct 1, 2013 1:24 PM
13	Outside exercise machine or ping pong ball tables	Oct 1, 2013 12:54 PM
14	Much better for investment and more well used.	Oct 1, 2013 12:40 PM

**Page 8, Q30. Please use the following box to make further comments about the open space provided for children and young people in Rushmoor.**

15	There is much less space for children to play in and explore than when I was a child growing up in the town. It is over developed and often dirty, and the council show no respect for cherished green spaces.	Oct 1, 2013 11:45 AM
16	I am in favour for any open spaces for young people in Rushmoor. I also firmly believe in youth clubs.	Oct 1, 2013 11:00 AM
17	Regular maintenance of play equipment? There is a slide in George IV park - one of the steps has been set fire to (under the step) - it is just a question of time when it gives way. I know this because of the time I use this park. The play area is well used and should be cared for by all.	Oct 1, 2013 7:48 AM
18	I am 60 - ask the young people themselves - they have a voice and should be heard.	Oct 1, 2013 7:39 AM
19	See my comments above. Disabled young people appear not to exist in Aldershot.	Oct 1, 2013 7:38 AM
20	Young kids need better updated equipment as their imagination far exceeds the equipments capabilities.	Sep 30, 2013 9:41 PM
21	Make drinking alcohol illegal in all parks, prosecute heavily all those selling alcohol to underage drinkers, watermark the bottles,put into detox any person found under the influence in the parks. Restrict licences to those that have a questionable necessity eg if it is against their religion to have alcohol you have to ask why they want a licence to sell it? Ban any premises caught selling alcohol to underage drinkers from holding a licence for 5 years, not just ban the the person named on the licence	Sep 30, 2013 9:21 PM
22	Maybe offer supervised sessions once a month for green gyms, or team games such as football. Offer coaching sessions for young people wanting to learn more about biking or wall climbing etc.and use the open spaces for this.	Sep 30, 2013 6:36 PM
23	Why do you bother asking these questions you never take any notice anyway	Sep 30, 2013 6:27 PM
24	Litter and spitting patrols,fed up with spit everywhere and macdonalds rubbish	Sep 30, 2013 6:07 PM
25	just more more more please. especially for the teenagers. they LOVE the basketball particularly. more swings for the little ones and keep up the good work with maintenance. they are always well loved after by RBC. shame people don` t have same respect. thank you!	Sep 30, 2013 5:41 PM
26	Old fashioned youth clubs with adults present would be a good start	Sep 30, 2013 4:39 PM
27	Don't always think only in terms of expensive equipment that requires maintenance for children. For example, informal bike tracks are cheap to create and very popular.	Sep 30, 2013 4:37 PM
28	Hope more help forteenages to keep of srteets those who do not want to do druigs	Sep 30, 2013 4:35 PM
29	The play equipment is fairly limited at most of the parks. Often there are too many children for the equipment available, especially after school and a weekends	Sep 27, 2013 9:19 PM

**Page 8, Q30. Please use the following box to make further comments about the open space provided for children and young people in Rushmoor.**

11	Tai Chi	Sep 27, 2013 8:19 AM

**Page 9, Q34. If applicable, what improvements do you think are needed to outdoor sports provision in Rushmoor?**

1	Better maintenance so that people can use it properly and perhaps monitoring it so that it is not misused and users leave the place clean and tidy.	Oct 17, 2013 12:19 PM
2	Some marked running / jogging trails with distance markers would be a good addition.	Oct 16, 2013 1:48 PM
3	N/A	Oct 13, 2013 6:12 PM
4	WE ARE NOT INTO SPORT	Oct 3, 2013 4:42 PM
5	gym facility	Oct 2, 2013 7:49 PM
6	Good signage as to where cycling is permissible so as to make walkers and cyclists live in harmony! Introduce defined cycling routes within Rushmoor and a code of use. Strange how pulling on the lycra turns many cyclists into demons!	Oct 2, 2013 1:28 PM
7	More help and support for cyclists.	Oct 1, 2013 9:59 PM
8	a bigger skate park in Farnborough?	Oct 1, 2013 5:40 PM
9	It is limited to the above sports. Please see previous comments on fishing	Oct 1, 2013 2:30 PM
10	More facilities.	Oct 1, 2013 11:22 AM
11	You need to ask our younger generation what they require?	Oct 1, 2013 7:51 AM
12	The tennis courts at Cove Green are great that they are free but they are in need of some real refurbishment	Oct 1, 2013 7:26 AM
13	Somewhere to hit golf balls free from dog walkers kids and a least 200 yards long the only Oneida know of is in farnborough and it's like a wasteland it's boggy uneven and not in aldershot	Sep 30, 2013 9:43 PM
14	More skateparks, Aldershot parks dirt jumps need destroying, redesigning and rebuilding urgently.	Sep 30, 2013 9:42 PM
15	Cricket pitches are generally inadequate and too uneven for a good game of cricket during the season. Otherwise fine.	Sep 30, 2013 9:08 PM
16	There needs to be greater provision for off-road cycling and greater connection with off-road, long-distance cycle paths. More effort needs to be made to get people out of cars to reduce traffic volume, especially during term time.	Sep 30, 2013 6:51 PM
17	More dog poo patrols ,always on the pitch it's disgusting	Sep 30, 2013 6:09 PM
18	more basket ball - loads of kids can play at once	Sep 30, 2013 5:42 PM
19	Clean pitches, no litter or dogs muck.	Sep 30, 2013 9:50 AM
20	We need some more space	Sep 27, 2013 10:14 AM
21	See previous response re bringing Park Run to Rushmoor. This is something that Rushmoor may already be planning.	Sep 27, 2013 8:18 AM

**Page 9, Q34. If applicable, what improvements do you think are needed to outdoor sports provision in Rushmoor?**

22	more dog and litter bins and more 3g pitches	Sep 27, 2013 2:51 AM
23	Enforcement of dog fouling laws.	Sep 24, 2013 12:08 PM

**Page 9, Q35. Please use the following box to make any other comments about Rushmoor's parks and open spaces.**

1	No other comments, other than those set out in the above questions/answers.	Oct 13, 2013 6:12 PM
2	I was disappointed when the former Manor Park School was demolished and replaced by housing, I was happy to see that the area which was the sports ground retained and added to Manor Park because it adds to the feeling of space which the Park has and reduces the feeling of being 'hemmed in' produced by some housing developments. Rushmoor Borough Council is well aware that increased housing provision requires an increase in open spaces to serve the additional residents. Brickfields Park is very important to my family as it is a tiny Nature Reserve. We greatly value the diversity of species which find their way into our garden as we live very close to this lovely little open space.	Oct 8, 2013 12:58 PM
3	nil	Oct 8, 2013 10:14 AM
4	Would like more family oriented use of space. Particularly summer / daytimes. OK to walk through or play football etc. but would be nice to have areas where families could relax / picnic. A few benches / tables / seating area + suitable bins. Even god forbid facilities for families to have occasional self managed BBQ area How nice would that be. Not everyone has a back garden of their own!!	Oct 5, 2013 9:26 AM
5	we need more seats in parks for older people to use.....	Oct 4, 2013 10:01 AM
6	Rushmoor could learn a few things from the activity and environment mangement that is taking place around the Fleet ponds area. The place has loads of daily visitors, open spaces are well maintained and vegetation maintenance is good. The local woodland near to my home appear to be seen by Rushmoor as separation zones that are left to look after themselves.	Oct 2, 2013 1:28 PM
7	Look at the green verges and open spaces and think 'do we really need to cut it all that often. Couldn't this area and that area be cut much less, for example?' Plant more native trees to make up for the continual and increasing loss of trees in people's gardens, private land. The new development of Farnborough - all that paving was a waste of money. Could have been done much better and cheaper. Should have added to the existing trees. Not cut them down and replaced them!! Not enough benches, not enough trees, not enough plants in general. Too much paving.	Oct 1, 2013 9:59 PM
8	More sports grounds at affordable rates for young participants	Oct 1, 2013 9:13 AM
9	We are very lucky with what we have and should respect it.	Oct 1, 2013 7:51 AM
10	visible presence of Police and Park ranger patrols, suggest use ex military as they command respect and aren't phased by aggression or physicality.	Sep 30, 2013 9:23 PM
11	I think they could offer a lot more to older children and teenagers in terms of the facilities they provide, possibly with adult supervision like an outdoor youth club.	Sep 30, 2013 6:39 PM
12	Poo and spitting foreigners,they sit on beeches gobbling everywhere yuk	Sep 30, 2013 6:09 PM
13	Too much litter and dogs muck. Stop paks being used for mini motorbikes and golf ranges.	Sep 30, 2013 9:50 AM
14	n/a	Sep 27, 2013 10:14 AM

**Page 9, Q35. Please use the following box to make any other comments about Rushmoor's parks and open spaces.**

15	Opens spaces are generally good. Might be nice to see some more bins and something done about safety for all users of Squirrel Lane though, and fixing the street light in Queen Elizabeth Park.	Sep 27, 2013 8:18 AM

## **Appendix 7:**

Summary of recommendations for indoor recreation facilities in Rushmoor

# Appendix 7: Priorities and standards for indoor recreation facilities

## Priorities and improvements for swimming pools

Protect	Enhance	Provide
Retain existing level of water space (m <sup>2</sup> ) and swimming pools 20m+ in length. Of particular note is the retention of the water space associated with both Farnborough Leisure Centre and Aldershot Pools.	Make improvements to the pool hall, changing and ancillary facilities at Aldershot Pools Complex.	No additional water space required up to 2021 unless any facilities from the Council's main stock are lost.
Maintain the positive swimming pool supply/demand balance as measured by the annual national FPM runs for swimming pools.	Improve the pool hall and ancillary facilities at Farnborough Leisure Centre.	Test the viability of replacing Aldershot Pools Complex as part of the wider plans for the lido to bring the facility up to modern standards.
Monitor the level of unmet demand for use of Rushmoor's swimming pools (measured by the FPM) and maintain it at a reasonable level through appropriate programming at/use of existing facilities in the borough.	Enhance the quality of the swimming offer at both of Rushmoor Borough Council's swimming pool sites to match other swimming provision in the borough. Achieve and maintain a mean quality score of at least 4 out of 5 for these sites.	
All Rushmoor residents should live within a 20 minute drive time of an indoor swimming pool (this includes swimming provision located outside of the borough).		
Maintain community and club access to the 50m swimming pool at Aldershot Garrison Sports Centre.	Explore the feasibility of installing a moveable boom at the Farnborough Leisure Centre swimming pool to create a more flexible offer (25m pool and teaching pool).	
		Work with schools and community sites which offer swimming pools less than 20m in length and lidos to ensure that they are satisfying demand for swimming.

## Priorities and improvements for sports halls in Rushmoor with four or more badminton courts

Protect	Enhance	Provide
Maintain the current level of sports hall provision across Rushmoor and the positive supply / demand balance for indoor space.	Enhance the changing, ancillary and sports hall facilities at Connaught Leisure Centre to improve the community sports offer at the site.	Work with schools and Hampshire County Council to provide better access at current school sites which are not available for community use to address current gaps in demand for indoor sports hall space and the growing needs of indoor sports which are a priority in Rushmoor (such as badminton and netball).
Monitor the level of unmet demand for use of Rushmoor's sports halls (measured by the FPM) and maintain it at a reasonable level through appropriate programming at/use of existing facilities in the borough.	Work with the school and Hampshire County Council to enhance the sports hall and ancillary facilities at Fernhill School and Language College to improve the community sports offer at the site.	
Maintain the current situation in which Rushmoor residents live within a 20 minute drive time of a publicly accessible sports hall (this includes sports hall provision located outside of the borough).	Enhance the quality of the sports hall offer at Council and school managed sites to match other sports hall provision in the borough. Achieve and maintain a mean quality score of at least 4 out of 5 for these sites.	Support Salesian School in its plans to develop a new sports hall and provide technical guidance on making any new facility fully accessible to the community.
Maintain the current situation in which the majority of Aldershot and Farnborough residents live within a 20 minute walk of a publicly accessible sports hall.	The development of outdoor artificial grass pitches is linked to the opening up of programming time for indoor sports hall space and the better placement of indoor sports clubs such as netball, volleyball and badminton.	Support The Samuel Cody Specialist Sports College and Fernhill School and Language College in its plans for refurbishment to enable greater community access and usage for indoor sport.

## Priorities and improvements for health and fitness sites

Protect	Enhance	Provide
Maintain the existing level of health and fitness station supply at Aldershot Pools Complex, Connaught Leisure Centre and Farnborough Leisure Centre and ensure affordable community access to these facilities.	Enhance the health and fitness offer at Aldershot Pools Complex and Connaught Leisure Centre to improve the participant experience and compete with commercial competitors.	No additional health and fitness stations required unless any facilities from the Council's main stock are lost.
The Council has limited influence over commercial health and fitness provision but should encourage health related businesses via planning policy.	Enhance the quality of the health and fitness offer at Rushmoor Borough Council's sites. Achieve and maintain a mean quality score of at least 4 out of 5 for these sites.	The Council has no control over supply side factors within the health and fitness market.

## Priorities and improvements for health and fitness sites

Protect	Enhance	Provide
Retain the 6 rink indoor bowls facility at Farnborough Leisure Centre.	Make improvements to the indoor bowls facilities at Farnborough Leisure Centre when required to ensure that they continue to meet local needs and retain the high quality score for this facility.	No additional indoor bowls rinks required in Rushmoor unless the current supply is reduced.

## Priorities and improvements for squash courts

Protect	Enhance	Provide
Retain existing supply of squash courts in Rushmoor.	Consider making improvements to the squash courts at Farnborough Leisure Centre to make them more attractive to clubs and community users.	No additional squash courts required in Rushmoor unless the current supply is reduced.
Maintain community and club access to the six squash courts at Aldershot Garrison Sports Complex, which are strategically important to the NGB.		

## Priorities and improvements of martial arts facilities

Protect	Enhance	Provide
Retain the existing level of dedicated martial arts provision across the borough.	Work with Fight Science to improve the overall offer at Maida Gym in order to continue to offer high quality opportunities to participate in martial arts and combat sports.	No additional dedicated martial arts/combat sports facilities required in Rushmoor.
	Work with schools to improve club access to suitable indoor facilities for martial arts.	
	Explore the potential to secure community access to the MOD martial arts facility.	

## Priorities and improvements for dedicated gymnastics facilities

Protect	Enhance	Provide
<p>Protect and retain the facilities at Rushmoor Gymnastics Academy.</p>	<p>Continue to support this regionally significant club and gymnastics venue in the borough.</p> <p>Work with Rushmoor Gymnastics Academy to extend their existing building to provide additional training space and fit for purpose accommodation.</p>	<p>No additional dedicated gymnastics facilities required in Rushmoor unless Rushmoor Gymnastics Academy is no longer in operation.</p>
<p>Retain indoor space at other sites which are currently providing for gymnastics use.</p>	<p>Work with British Gymnastics to enhance club access to sport halls and dance studios on educational sites for gymnastics.</p>
