Notes for filling in the Council Tax Support claim form

About this form

The Council Tax Support claim form has been specially designed to be easy to fill in. It may look rather long, but we have to ask a lot of questions to make sure that everyone who claims gets the right amount of support.

You may not have to fill in all parts of the form, but you must fill in any part that is relevant to you. Every part starts with a question to help you decide if you need to fill in that part.

Second Adult Rebate

Second Adult Rebate is Council Tax Support for people who do not have a partner but who share their home with someone who:

- is 18 or over; and
- is on a low income; and
- does not pay them rent.

Please note: Please contact our Benefit Team on the number at the top of the page to check whether you will qualify for any help before completing the form.

Filling in the form

Please use black ink to fill in the form. Do not use pencil. If you make a mistake, just cross it out and put the right answer next to it. Do not use correction fluid or tape.

Answer 'Yes' or 'No' questions by putting a tick in the relevant box. If you are picking an answer from a list of answers, put a tick in the relevant box. Do not put a cross in any boxes. If you answer a question with a cross we will have to send the form back, and this will delay the claim.

If someone else fills in the form for you, there is a special space for them to sign.

If you need help filling in the form

If you need any help, our phone number and email address is at the top of this page.

Evidence

We need to see evidence of some of the things you tell us about. There is a checklist at the end of the form to help you. If you are not sure if we need to see evidence of something, get in touch with us. We will tell you what we need to see. We cannot pay you support until we have seen the evidence we have asked for.

What to do next

When you have filled in the form, sign it and send it to us, with the evidence we need to see.

Do not delay sending this form to us, even if you do not have all the information. If you delay, your claim may start later and you may lose money. If you can't provide the evidence straight away, let us know, we may be able to help you.

When we usually award support from

If this is your first claim: We will usually pay your support from the Monday after we get your form.

If this is a repeat claim: If we get your form within four weeks of when your last claim finished, we will pay you from the day after the last claim ended. If the form arrives more than four weeks after your last claim finished, we will usually only be able to pay you from the Monday after we get your form.

Changes you must tell us about

Tell us straightaway if:

- any of your children leave school or leave home;
- anyone moves into or out of your home (including lodgers and subtenants);
- your income or the income of anyone living with you, including any benefits or tax credits, changes;
- your capital, savings or investments change;
- you or anyone living with you becomes a student, goes on a Youth Training Scheme, goes into hospital or a nursing home, goes into prison, or gets, changes or leaves a job;
- you move;
- you or your partner are going to be away from home for more than a month;
- you receive any decision from the Home Office; or
- anything else you have previously told us changes.

You must tell us yourself about these changes. Do not assume that other agencies will inform us.

If you don't tell us about these changes you may lose money you are entitled to or you may get too much.

It is an offence not to tell us about any change of circumstance that affects you. We may take court action against you and if we pay you too much, you will probably have to pay it back.

How we collect and use information

We will use the information you give in this form, and any supporting evidence you send us, to process your claim for Council Tax Support.

We may pass the information to other agencies or organisations such as the Department for Work and Pensions and Her Majesty's Revenues and Customs, as allowed by law.

We may check information you have provided, or information about you that someone else has provided, with other information held by us. We may also get information about you from certain third parties, or give them information to:

- make sure the information is accurate;
- prevent or detect crime;
- protect public funds; and
- make sure you are receiving all the benefit you are entitled to.

These third parties include government departments, local authorities and private-sector companies such as banks and organisations that may lend you money.

We will not give information about you to anyone else, or use information about you for other purposes, unless the law allows us to.

We, Rushmoor Borough Council, are the data controller for the purposes of the Data Protection Act.

If you want to know more about what information we have about you, or the way we use that information, please ask us.

**If you have any questions about your claim, please phone

Part 11 Anything else you need to tell us

Use the box below to tell us anything else you think we should know about. Use a separate sheet of paper and attach it to this form if you need to.

If you are sending separate sheets of paper with this form, tell us how many.

Part 12 Backdating

We will usually award support from the Monday after the day we receive your claim. Sometimes we can pay support from an earlier date if you have a good reason for not claiming earlier. In order to consider a request for a claim to be backdated, you will need to show continuous 'good cause' for failing to make your claim from the earlier date.

'Good cause' includes any facts that would cause a reasonable person to act as you did, for example; your age, health or background.

Reasons which might be considered 'good cause' might be things such as if you were too ill to contact this office, or ask someone to contact this office on your behalf or if you were told by an official agency such as the Jobcentre or this office, that you could not claim.

Your reason(s) must cover the entire period that you are requesting backdated support.

You must supply supporting documentation to support your backdate request.

Tell us why you have not claimed before.

Part 13 Declaration

Even if someone else has filled in this form for you, you must sign this declaration if you can. If you have a partner, it would be helpful if they sign below to confirm all the details about them are correct. But they do not have to sign.

Please read this declaration carefully before you sign and date it.

I understand the following.

- If I give information that is incorrect or incomplete, you may take action against me. This may include court action.
- You will use the information I have provided to process my claim for Council Tax Support. You may check some of the information with other sources as allowed by the law.
- You may use any information I have provided in connection with this and any other claim for social security benefits that I have made or may make. You may give some information to other organisations, such as government departments, local authorities and private-sector companies such as banks and organisations that may lend me money, if the law allows this.

I know I must promptly notify the Council's Benefit team about any changes to my circumstances

Failure to do so may result in you taking action against me, which may include court action.

I declare the information I have given on this form is correct and complete.

Part 14 Checklist

Please tick to tell us what evidence you are sending with this form. We must see **original** documents, not copies. Please do not send valuable items through the post. If you can, bring them into our offices. We will take the details we need and give you the documents back straightaway. If you cannot get into the office, phone us for more advice.

If you do not provide all the evidence we need, we might not be able to pay you any support. We need the same evidence for your partner, if you have one, and for any other adults living in your home.

If you cannot send the evidence we need at the moment, send the form back to us now and send the evidence later. We can start to process your claim, **but we will not be able to pay you any support until we have all the evidence.**

Evidence of identity

Such as a birth certificate, marriage certificate, passport, medical card, driving licence, UK residence permit, EEA identity card or recent gas or electricity bill. **We will need to see at least two of these documents for each person.**

Evidence of National Insurance number

Such as a National Insurance number card, payslips or letters from Department of Work and Pensions or the HMRC office

Evidence of capital, savings and investments

Such as all your bank, building society or post office books, full bank statements, including on-line statements or certificates for Premium Bonds, National Savings Certificates, ISAs, stocks, shares and unit trusts. We need to see evidence of any interest or dividends you get on investments and savings.

The evidence you send must show details for at least the last two months.

Evidence of earnings

This means your last five payslips if you are paid every week, your last three payslips if you are paid every two weeks, or your last two payslips if you are paid every month or every four weeks. You should contact your employer if you do not have these payslips. If you or your partner are self-employed, we need to see your accounts for the last financial year or, if you have been trading for less than 12 months, a summary of your trading records so far.

Evidence of other income

Such as pension slips from a former employer or a letter from the court showing how much maintenance you are getting. We need to see evidence of any money people pay you for board and lodgings.

Evidence of benefits, allowances or pensions

Such as current award notices or letters from the Department of Work and Pensions confirming how much you get. If you do not have evidence, let us know straightaway.

Evidence of other money paid out

Such as letters about student grants or maintenance, agreements or receipts from registered child carers.

Evidence of Universal Credit

Please include a full breakdown of your award notice - you will need to provide a screen shot of this.

For further information on our policy for retaining personal information, see our retention guidelines.
