

To the Chairman of the Overview and Scrutiny Committee

Regulation 5 - The Local Authorities (Executive Arrangements) Meetings and Access to Information) (England) Regulations 2012

Notice of a Cabinet decision to be taken in private – The Galleries, Aldershot – update and next steps

Further to your agreement that the above matter for decision by the Cabinet is urgent and cannot be deferred, this notice confirms that, on 6th February, 2024, the Cabinet will consider an exempt report from the Major Projects and Property Portfolio Holder (under the Local Government Act 1972 Schedule 12A Para 3 - disclosure of confidential information) relating to the regeneration project at The Galleries, Aldershot.

Notice of Reasons

The Council is required to state why the item cannot be deferred - Regulation 5(7):

The matters and decisions contained within the report are time sensitive as they align to meeting external funding obligations. A deferment of decision would present a delivery risk to a key Capital Project. The report contains commercially sensitive information that requires consideration in private.
